Conclusions

It can be concluded that during the year 2022-23, our society has performed well in all its different activities for the overall development of children studying at various schools of Prayas welfare society. Ladies received training in tailoring, embroidery, beautician (all belonging to the weaker section of the society) have been benefited

We are thankful to the management of all the schools where the centres of Prayas Welfare School were running and also to the chairman and members of the various committees for their valuable support and guidance.

We are extremely thankful to the corporates, business establishments, trusts and individual donors who had whole heartedly contributed financially as well as their guidance and suggestions for smooth running of the society.

Pawan Kumar Gupta
General Secretary
